ZIONISM, THE JEWISH COLOSSUS WHICH DOMINATES THE WESTERN WORLD.
James H. Madole.

The recent Afro-Asian Conference held in Cairo, Egypt universally condemned Western support of the illegitimate state of Israel as well as the Baghdad Pact and the so-called "Eisenhower Doctrine" whose obvious purpose is the economic and political isolation of Egypt and Syria from the rest of the Moslem World. This final rejection and condemnation of the pro-Zionist foreign policy of the United States, Great Britain and France by delegates from 39 nations representing more than ONE BILLION of the Earth's inhabitants could well be the final nail driven into the coffin of the White race and Western civilization. Having already lost the scientific contest in the field of guided intercontinental missiles and earth satellites to our Soviet Russian opponents, we can ill afford to lose the whole Afro-Asian land mass in order to appease the territorial ambitions of the world Zionist Movement. The disastrous influence of World Jewry on Western foreign policy will be proven conclusively in this issue of the "NATIONAL RENAISSANCE BULLETIN". We quote from an article entitled, "AFRO-ASIANS RIP U.S. ARAB POLICY" in the "NEW YORK DAILY NEWS" of December 30, 1957:

"A committee of the 39-nation Afro-Asian solidarity conference accused the United States tonight of interfering with "the independence and sovereignty of the Arab states" through the Eisenhower Doctrine and the Baghdad Pact. Israel was called a "base for imperialism" in the Mideast and assailed for an "aggressive policy", which was called a threat to world peace. The political committee of the unofficial conference, however, defeated Communist attempts to charge the United States with "inhuman atrocities" in South Korea. It bypassed a proposal to give Formosa to Red China."

Although there are only 12,000,000 Jews scattered throughout the world at least 5,200,000 of this number are concentrated in the United States and approximately 450,000 in Great Britain. The great majority of Western Jewry supports the fanatical, messianic doctrine of Zionism which teaches that the Jewish race constitutes "GOD'S CHOSEN PEOPLE" and the divine mission of this "CHOSEN" race is to prevent any form of assimilation between the Jewish race and the Gentile peoples whom they live among. The Jews must be kept separate and live according to their ancient Talmudic Laws allegedly given to Moses by God on Mt. Sinai. The mission of the Zionists, in addition to preventing any form of assimilation, is to FORCIBLY RETURN THE JEWISH RACE TO THE ANCIENT BIBLICAL LAND OF ISRAEL. According to Jewish mythology a Messiah will then be born to them who will rule the world from Jerusalem, the ancient Biblical capitol of the Hebrews. The awesome power wielded by the Jew in the Western World due to his control of commerce, the great banking houses of Rothschild, Kuhn-Loeb & Company, Lehman Brothers, Lazar Freres, etc. as well as the retail trade and the international stock-exchange, his control of television, radio and the press, his tremendous holdings in property and real estate; all these sources of power and wealth have been placed at the disposal of World Zionism and its messianic philosophy.

To better understand the fanatical spirit of Zionist doctrine which has permeated an entire race of people for nearly 4000 years, we quote an article by the

famed British Zionist leader, Solomon Schechter, entitled "THE TRAGEDY OF ASSIMILATION" from "A BOOK OF JEWISH THOUGHTS" published by the National Jewish Welfare Board, 220 Fifth Avenue, N.Y.C. for Jews in the armed forces of the United States:

"What I understand by assimilation is loss of identity. It is this kind of assimilation, with the terrible consequences indicated, that I dread most--even more than pogroms. (anti-Jewish outbreaks) It is a tragedy to see a great, ancient people, distinguished for its loyalty to its religion, and its devotion to its sacred Law, losing thousands every day by the mere process of attrition. It is a tragedy to see a language (HEBREW) held sacred by all the world, in which Holy Writ was composed, which served as the depository of Israel's greatest and best thoughts, doomed to oblivion. It is a tragedy to see the descendants of those who revealed religion to the world, and who developed the greatest religious literature in existence (ED.NOTE: Most of the Biblical and Talmudic literature "invented by the Jews" was stolen from the Persians and the Egyptian "BOOK OF THE DEAD" after the original texts had been perverted into a self-glorification of the Jewish race.), so little familiar with real Jewish thought that they have no other interpretation to offer of Israel's Scriptures, Israel's religion and Israel's ideals and aspirations and hopes, than those suggested by their natural opponents (the Gentile Christians), slavishly following their opinions, copying their phrases, and repeating their catchwords..."

"Now, the rebirth of Israel's national consciousness and the revival of Judaism are inseparable. When Israel found itself, it found its God. When Israel lost itself, or began to work at its self-effacement, it was sure to deny its God. The selection of Israel, the indestructibility of God's covenant with Israel, the immortality of Israel as a nation, and the final restoration of Israel to Palestine, where the nation will live a holy life, on holy ground, with all the wide-reaching consequences OF THE CONVERSION OF HUMANITY, and the establishment of the Kingdom of God on earth---all these are the common ideals that permeate the whole of Jewish literature extending over nearly four thousand years."

The Zionist-sponsored Stern Gang and the notorious "IRGUN ZVAI LEUMI" began their "holy life in Israel" by slaughtering several hundred thousand peaceful Arab inhabitants of Palestine and driving 900,000 Arab refugees into the desert surrounding the present boundaries of the state of Israel. This was done after confiscating their homes, cattle, land and bank accounts. At Quibya and Deir Yassin, as a matter of record by the United Nations, the Jews butchered all members of the male population, including children, and even ripped open the stomachs of pregnant Arab women with their bayonets. Not since the Biblical slaughter of the Canaanites by the ancient Hebrews has the world witnessed such hideous scenes of bestiality wreaked upon a helpless people by half-mad religious fanatics supposedly acting to carry out the will of God by restoring "IMMORTAL ISRAEL". The brutal murder of UN mediator, Count Bernadotte, by Jewish assassins from the Stern Gang as well as the campaign of terror, intimidation and murder waged by Zionist fanatics against British soldiers and civilians prior to the Termination of the British Mandate in Palestine in 1948 are samples of what "GOD'S CHOSEN PEOPLE" have in mind for unfortunate Gentiles who get in their way.

After Israel was established and recognized in 1948, Jews throughout the world organized a network of subversion which stretched across the entire planet. Gigantic fund-raising drives were conducted in every nation where Jews resided and these funds, completely exempt from taxes, were shipped out of these nations to finance a foreign Israeli war-machine. Jewish organizations brought economic and political pressure on Gentile governments to recognize their land-grab in Palestine. President Truman recognized Israel within five minutes of its official establishment. He, although no longer president, is still a constant speaker and "guest of honor" at Jewish fund-raising affairs. Speakers at these affairs collect a minimum of \$2000 per appearance which explains the "great love" which ex-haberdasher Truman has for the Jewish people. Because Zionist Jewry, which includes nearly the whole

of Western Jewry, places loyalty to Israel ahead of loyalty to the Gentile nations in which they reside and prosper, the Jewish race constitutes a world-wide network of subversive aliens who, by their actions, are driving over ONE BILLION AFRO*ASIANS INTO THE SOVIET ORBIT.

Should any native American or Arab diplomat think that President Eisenhower is less a fawning tool of organized Zionist pressure than was Roosevelt or Truman, we shall set the record straight by quoting a few interesting articles. When Eisenhower was only a military commander, he made the following statement to American Jewry in celebration of ROSH HASHONAH, 1952 as quoted in "THE AMERICAN ZIONIST", Nov. 1952 edition, page 10:

"With my greetings, I wish to express the good-will which I hold---and have always held---for the spiritual descendants of Abraham. Whatever there be of miracle in human history is manifested in the majestic story of Jewish survival through the unhappy ages of the ancient and medieval and recent past. That miraculous story is a source of strength and inspiration to all mankind. Here in America we have watched the establishment and the development of the modern state of Israel. This, too, is part of the miraculous history of the Jewish people...I have looked, and shall continue to look, with a sympathy to the efforts of the state of Israel to achieve objectives vital to world peace and important to the future and destiny of the oppressed of the Jewish people."

On page 11 of the same issue of "THE AMERICAN ZIONIST", Judah Nadich, General Eisenhower's earliest advisor on Jewish affairs in Europe after World War II, has written an article on why he believes Eisenhower should receive the Jewish vote in the November, 1952 election. He quotes Eisenhower as saying: "I grew up believing that the Jews were the chosen people, that they gave us the high ethical and moral principles of our civilization...THE JEWISH PEOPLE COULDN'T HAVE A BETTER FRIEND THAN ME." PERHAPS WE NOW UNDERSTAND WHY THE MENTALLY BANKRUPT, STUTTERING EISENHOWER HAS WON TWO TERMS IN THE WHITE HOUSE.

What else has Eisenhower done for the Zionist cause prior to the formulation of the Eisenhower Doctrine? We quote again from Mr. Nadich in "THE AMERICAN ZIONIST", November 1952:

"Before Germany was invaded by the allied armies, a code of policies and practices applicable to the displaced persons to be found in the enemy's homeland had already been formulated by General Eisenhower's headquarters. But the planners of the DP policies did not foresee THE SPECIAL PROBLEMS that the Jewish survivors would provide. They had no homeland in Europe to which they were anxious to return... They lifted up their eyes, in overwhelming majority, to one homeland, but the British stubbornly barred entrance to Palestine."

Henceforward, the Jewish DPs were his (Eisenhower's personal concern. For the first time in American military history, there was created the position of an "advisor on Jewish affairs" to an American commanding general..Following up the creation of this new post on his staff, General Eisenhower issued a number of directives aimed at the improvement of the lot of the Jewish DPs. The most important of these fixed the policy that Jews, whatever their native lands, BE GROUPED TOGETHER IN ALL JEWISH DP CAMPS RATHER THAN WITH NON-JEWISH DPS OF THE SAME RESPECTIVE NATIONAL ORIGIN. Scattered among non-Jewish DPs in the same camp, they could not receive the preferential treatment they required, nutritionally and medically. BESIDES, THE EDUCATIONAL AND WORK PROGRAMS, REVOLVING AROUND ULTIMATE EMIGRATION TO PALESTINE, COULD BE ORGANIZED ONLY IN ALL-JEWISH CAMPS." (Thus Eisenhower assisted the Zionist cause by permitting fanatical Jewish instructors to prepare and indoctrinate Jewish DPs for future action in Palestine.)

"A historic meeting took place at General Eisenhower's headquarters at Frankfurt between himself and David Ben-Gurion, then chairman of the Executive of the Jewish Agency and the first leader of what was then Palestinian Jewry to enter postwar Germany. (David Ben-Gurion is now premier of Israel.) The General asked Ben-Gurion to visit the Jewish camps and report his observations and recommendations. As a result of Ben-Gurion's visit, General Eisenhower ordered an American military plane to Palestine IN ORDER TO SPEED THE TRANSPORTATION OF INSTRUCTORS AND SOCIAL WORKERS TO COLLABORATE WITH THE FEW PALESTINIANS ALREADY IN THE CAMPS AND THE MUCH LARGER NUMBER OF AMERICAN JOINT DISTRIBUTION COMMITTEE WORKERS. Regardless of the fate that awaits Eisenhower in the election, his place in Jewish history is secure, for he led the forces that liberated the Jewish survivors of Nazism, helped in their rehabilitation and gave them the equipment for a new life."

Thus Eisenhower proves to have been the man who paved the way for the Zionist conquest of Palestine with its subsequent rape, looting and pillage. The purpose of the Eisenhower Doctrine in the Middle East becomes quite clear when we study his actions and statements of the past. The anti-Israel bloc of Arab states composed of Egypt, Syria, Jordan and Saudi-Arabia had to be shattered. After Russian threats of military intervention prevented the quick conquest of Egypt by Great Britain, France and Israel in November, 1956, President Eisenhower decided to play the familiar role of "THE GREAT WHITE FATHER ON THE POTOMAC". He, and his Zionist advisors Max Rabb, Sidney Weinberg, Murray Schneider etc., would offer military and economic aid to those Arab nations which would promise NOT TO USE THESE WEAPONS AGAINST ISRAEL. They must also aid Eisenhower in preventing Communist infiltration of the Middle East. Any nation refusing to participate in the Eisenhower Doctrine or the Baghdad Pact would find it very difficult, if not impossible, to obtain credit or loans from Western (Zionist-controlled) banks. King Hussein of Jordan accepted \$13,000,000 under the Eisenhower Doctrine but soon discovered that he would be forced TO ACCUSE HIS FORMER ALLY, SYRIA, OF BEING RED-DOMINATED. WHEN Turkey, a member of Eisenhower's Baghdad Pact, massed troops on Syria's northern border, King Hussein was called upon to threaten Syria with invasion from the South. PROOF OF HUSSEIN'S TREACHERY AND HIS SECRET DEALS WITH THE ZIONIST-DOMINATED EISENHOWER REGIME can be found in "THE AMERICAN EXAMINER", a weekly Jewish newspaper of October 17, 1957 under the caption, "U.S. TO TRAIN ARAB TROOPS IN WEST GERMANY":

"Arab Legion troops will be trained by the United States Army in West Germany, it was learned from official U.S. sources. Stationing of a regular U.S. Military Assistance group in Jordan might subject the regime of King Hussein to charges of "American domination", so a plan was worked out to train selected Jordanian officers and technicians in West Germany, according to these sources. Most of the U.S. Army mission that visited Jordan to survey its military needs came from West German bases, it was reported. The Jordanians will be trained in tactics, as well as in the maintenance and operation of equipment, much of which is of British manufacture, though furnished to Jordan at American expense."

Zionist forces in Washington hoped to force Hussein to use his British-trained Arab Legion against Syria. Turkey and Jordan would then have divided Syria between them and Israel would remain safely under the protection of the Baghdad Pact. To offset this meddling in the affairs of neutral countries by Washington Zionists, Mr. Khalid El-Azm, Syrian Minister of State made the following statement in clarifying his country's position:

"It is unfortunate that few Americans have access to accurate facts about the Middle East. Accordingly, few Americans understand the Arab spirit, the objectives of the Arab national movement, or the methods followed in pursuit of these objectives. These objectives revolve mainly around independence, peace and progress. Inasmuch as imperialism and Zionism are the main obstacles and threats to these goals, and inasmuch as America supports imperialism and Zionism, we feel that it

is this militate against American-Arab understanding...Americans know very well that we would not submit to any foreign domination. Nevertheless, it is said that we have already become communist or subservient to Soviet influence. Those who make these charges are fully aware that they are not true. These charges are used as a weapon to intimidate us, or as a means of frightening those who are genuinely afraid of, or opposed to, communism, and urging them to oppose us. Whenever we have approached the United States for aid or assistance, we have been given conditions and terms which could not under any circumstances be accepted by sovereign peoples. But, now that we have found someone else in the world ready to sell us the arms we need and to furnish us with the technical assistance we require---and to do so unconditionally, and on terms very favorable to ourselves---America has been enraged. Why should the United States consider such relations with the Soviet Union in 1957 objectionable when, throughout World War II, America had no misgivings about collaborating with the Soviet Union? HAS THE SOVIET UNION BECOME COMMUNIST SINCE THAT TIME? (ED. NOTE: The Soviet Russian government has become ANTI-ZIONIST since the termination of World War II whereas America has become a virtual slave of Jewish ambitions.)

Jews endanger our survival as a free people.
Jews are financially and politically conquering the
world. This is dangerous because the Jew always
directs his efforts towards the destruction of the
noble races of whom this parasite lives.

The dirty Jew dominated newspapers of our time
and also the Jew bossed television entertainment is
continually filling us full of lies about racial
equality and human brotherhood. This will event-
ually lead to the mongrelization and bastardization
of our people which must cause the decline and fall
of our nation, as it has caused the fall of all great
nations which allowed their good blood to become
polluted by interbreeding with inferior races.

Study the Jewish problem and work to eliminate
this evil. For more information write to:

Rapaciously ambitious Jew-like

all past civilizations. Will we
Americans suffer the same fate
for our kindness to the Jew?

Why do Jews have such a strong
lust for power? What drives them
to infiltrate and gain control of
our political parties and other
American institutions?

What is the evil power that drives
the Jew ever onward in his course
of culture perversion and destruction?

Is it the Talmud or Jewish blood?

IS ANTI-SEMITISM JUSTIFIED BY HISTORY?

James H. Madole.

What are the real causes of anti-Jewish feeling among the Gentile peoples of the world? Is anti-Semitism mere blind prejudice based on the greed, envy and frustration of the Gentile masses, both white and colored, or is anti-Jewish feeling justified by the stern verdict of history and the natural law of self-preservation? The record of history proves conclusively that the Jews, more than any other racial or religious group, have been reviled, persecuted and extradited from nearly every Gentile nation, both civilized and uncivilized, both Christian and Moslem, during the period of recorded history. Is anti-Semitism always the fault of the Gentile majority or could the activities of the Jewish minority within the Gentile nations be responsible?

The Jewish people are a racial unit bound together by the messianic religion of Judaism. Unlike Protestantism and Roman Catholicism which seek to convert all nationalities and races to a universal religious faith, Judaism serves as a form of spiritual cement binding members of the Jewish race to a messianic doctrine which preaches that God established a Covenant with Israel through Moses on Mount Sinai. Thus the Jewish race became "God's Chosen People" or the "People of the Covenant". They must never assimilate with the Gentile peoples whom they lived among "in Diaspora" (in dispersion). Thus for nearly 4,000 years the Jewish race has chosen to live as "a state within a state", refusing to be assimilated into their Gentile surroundings. They have accumulated great wealth and power from their Gentile hosts but they have used this power and wealth to increase the stranglehold of world Jewry on the economy, real estate and natural resources of all Gentile nations. Thus while the world Jewish community waxed fat and prosperous, the Gentile peoples were being slowly bled white and pauperized. The Jew, being internationalist by his very nature, sought to break down all racial and national barriers within the Gentile states. Being an alien the Jew could not conceive of national patriotism and love of one's native land hence he made every possible effort to discourage such feelings among his Gentile hosts. Racial pride was a barrier to Jewish social and economic progress within the Gentile nations hence this natural impulse must also be eradicated.

While seeking to stamp out racial pride and national patriotism among the Gentile peoples, the Jews sought to intensify these passions to the ultimate among "God's Chosen People". The Jew told his own people that their race must never assimilate with the Gentiles because only the Jews and their "holy" nation of Israel have a covenant with God. If they kept themselves pure and free from the contaminating influence of Gentile thought and blood, God would keep his covenant with World Jewry by restoring them to their ancient, Biblical homeland in Palestine. From this messianic creed of a self-ordained "Chosen people" emanated the doctrine of Zionism. Zionist doctrine teaches that all Jews owe their primary loyalty to World Jewry and the Jewish state of Israel established in 1948. Thus Jews residing and prospering in America, Great Britain, France and Germany utilize their wealth and influence to bribe and corrupt the governments and public press of these countries to speak and act in behalf of the state of Israel. By educating his children in separate Jewish schools where they come under the influence of fanatical Zionist

instructors and by using Jewish-owned department store and retail advertising for the purpose of exerting pressure on the American press to conduct "Hate Campaigns" against governments, individuals or groups which dare to oppose the methods and aims of World Jewry, the Jews are fast becoming the subversive agents of a foreign power operating within our national borders. The German-American Bund and the Japanese Black Dragon Society were outlawed and their leaders imprisoned by the U.S. Justice Dept. but not one Zionist organization has even been investigated by our Attorney General. Because of their sinister influence American, British and French foreign policy has become the helpless tool of Zionist pressure groups with unlimited funds at their disposal while 400,000,000 Moslems are being driven into the open arms of Soviet Russia.

To further prove our basic contention that World Jewry represents an alien organism within the bodies of all Gentile nations and that this alien organism is a parasite which drains the wealth of Gentile states and uses this wealth for its own alien purposes, we now quote from several renowned Jewish leaders and publications:

1. Rabbi Schindler, "JEWISH CHRONICLE", April 28, 1911:
"For fifty years I was a partisan of the assimilation of the Jews and I believed in it. The American melting-pot will never produce the fusion of a single Jew".
2. AMERICAN EXAMINER, September 12, 1957, page 11:
"Love is secondary in the traditional Jewish concept of marriage, a rabbi told a B'nai B'rith Institute of Judaism here. The purpose of marriage, said Dr. Arthur J. Lelyveld, now executive vice president of the America-Israel Cultural Foundation, is "not to allow two people to live happily ever after" but to serve as a social base for "THE REARING OF CHILDREN AND THE TRANSMISSION OF JEWISH VALUES". (Ed. Note: When Adolf Hitler made statements like the above in reference to the Germanic people, World Jewry called him a racial bigot and cried up a holy war against Nazi German.)
3. Leo N. Levy, lawyer, leader of B'nai B'rith (1900) Quote from speech in a "MEMORIAL" edited by the Order of B'nai B'rith:
"Who shall say that the Jews are no longer a race? Blood is the basis and sub-stratum of the race idea, and no people on the face of the globe can lay claim with so much right to purity of blood, and unity of blood, as the Jews. The religion alone does not constitute the people. As I have already maintained, a believer in the Jewish faith does not by reason of that fact become a Jew. On the other hand, however, a Jew by birth remains a Jew, even though he abjures his religion."
4. G. B. Stern, author, "DEBATABLE GROUND":
"Jews are a nation. If there was but a theological difference, would there be such striking distinctions in features and temper? To go to the synagogue instead of the church, does that change anything in the curve of the nose? We surely are a nation, a dispersed nation, but the most united nation in the world."
5. "JEWISH WORLD", January 1, 1909 by M.J. Wodislawski:
"Let us take the mask off. Let us play the Lion of Judah for a change. Away, away with false patriotism. A Jew can only recognize one Fatherland, Palestine."

Obviously a tightly-knit race of people holding the beliefs expressed above could not be considered loyal citizens of any Gentile nation. We find the Jewish race creating a world-wide Zionist network of subversion by using the wealth and influence which they have accumulated in their Gentile host-nations to further the aggressive economic and political interests of World Jewry and the state of Israel. The reasons for anti-Semitism become quite evident if we devote study to Jewish international activities.

I. CAUSES OF ANTI-SEMITISM IN THE MIDDLE EAST:

To protect themselves from any future aggression by Israel and her Western allies, similar to the brutal Sinai invasion of November, 1956, the small Arab states of Egypt and Syria merged to form the small Arab states of Egypt and Syria merged to form the UNITED ARAB REPUBLIC under the leadership of President Gamal Nasser. Already the Zionist-dominated Eisenhower Administration had sought to divide the Arab world by bribing King Hussein of Jordan with \$13,000,000 and the right to have his Arab Legion soldiers trained in West Germany by American officers. In return King Hussein abandoned his alliance with Egypt and Syria and now is seeking to preserve his feudal monarchy by setting up a rival merger with King Feisal of Iraq. Iraq has long been a member of the American-sponsored Baghdad Pact and no Arab nation belonging to this alliance is permitted to use the arms which it obtains from America against Israel. Hence Israel uses the Baghdad Pact as its shield of protection against the righteous wrath of her Arab nationalist enemies. Like all other Israeli weapons, the Baghdad Pact carries a "made in America" label. The Zionists now hope to convince King Hussein of Jordan and King Feisal of Iraq that the United Arab Republic constitutes a greater menace to their respective thrones than does the future prospects of Zionist expansion in the Middle East. If the people of Iraq, Saudi-Arabia and Jordan refuse to awaken and join hands with President Nasser to curb Israeli aggression, the Arab world shall remain divided and ripe for conquest.

Why is anti-Jewish feeling so intense in the Middle East? The invasion of Egypt by Israel, France and Great Britain in late 1956 left bitter scars and memories. We must remember the diabolical campaign waged by World Jewry to secure the entrance of America into World War II. Now President Nasser of tiny, little Egypt was the "Hitler of the Nile" and World Jewry started to sing their Hymn of Hate which was to arouse the Western Powers to another crusade in behalf of "the poor, persecuted Jews". Remember the never-ending tales of persecution and concentration camp outrages brought to America by teeming hordes of Jewish "refugees" during the early years of the Hitler regime in Germany? Remember how these same "victims of Nazi persecution" brought with them to America gold, precious gems and packing cases filled with the loot of Central Europe? (These huge packing cases were laughingly referred to as "Jewish coffins.") Americans found out later that Hitler's main grievance against the Jews was the fact that this alien minority had bought up nearly 80% of Germany's wealth, industry, land and assets at ridiculous prices during the terrible inflation of 1923-24. These assets were purchased with valuable foreign cash by foreign Jews who flocked to prostrate Germany like buzzards descending on the body of a dying man.

Exactly the same pattern was followed in Egypt as was followed in Germany by the Jews. We hear again the trumped-up atrocity stories and tales of woe. We quote "THE AMERICAN ZIONIST", page 20, entitled: "50,000 EGYPTIAN JEWS FACE DEPORTATION BY SUMMER, REFUGEE TELLS UJA:

"A cold pogrom is taking place in Egypt. Nasser is subjecting a helpless minority to every oppression to which Jews were subjected by Hitler, short of death camps," Rabbi Herbert A. Friedman declared. "Egypt is in economic straits since Nasser mortgaged his cotton crop to the Communists for guns and blocked the Suez Canal," Rabbi Friedman said. "Now he plans to enrich himself as Hitler did by a process of economic squeeze on the Jewish group. The situation cries out for U.N. investigation. "Nasserism is Nazism revived," the UJA Executive declared, NEARLY 800 LEADING JEWISH FIRMS HAVE BEEN CONFISCATED, and their owners jailed or ordered out. Professionals can't practice, artisans have no clientele. If these people don't get out, they will begin to starve."

In the same January, 1957 edition of "THE AMERICAN ZIONIST" on page 3 we have a purported interview with Jewish refugees landing in Naples from Egypt. This article is entitled "EGYPT JEWS TELL OF NAZI TERROR":

"Through tired lips came the stories of terror, torture and death. They were told two decades ago by the Jews driven from Hitler's Germany. They are being told again by Jews driven from Nasser's Egypt. According to the refugees, the government started by expropriating Jewish as well as British bank accounts. THIS AFFECTED EGYPT'S MOST IMPORTANT FINANCIAL INSTITUTIONS, ITS INSURANCE FIRMS, IMPORT, EXPORT AND WHOLESALE ESTABLISHMENTS. ALL THIS, THE REFUGEES SAID, BROUGHT BUSINESS TO AN ALMOST COMPLETE HALT. The refugees agreed that the basis of the anti-Semitic policy is Egypt's need for money and its hope to get it from the ESTIMATED \$600,000,000 WORTH OF JEWISH PROPERTY IN EGYPT."

We also find that the great majority of Jews owning this \$600,000,000 worth of Egyptian property and 800 leading Egyptian firms were not even citizens of Egypt but fell into the category of "stateless persons" or Jews who held foreign passports and took their financial profits out of Egypt. Thus the great masses of destitute, poverty-stricken Egyptian people were forced to look on while the Jewish locusts stripped their nation of its meagre assets. Secondly, although Egypt has officially remained in a state of war with the government of Israel since 1948 not one Egyptian Jew suffered privations until after the Sinai invasion of November, 1956. The Israeli Army knew exactly where to cross the Egyptian borders without encountering a single Egyptian Army unit. Their position was not discovered until the Israelis had advanced nearly 100 miles into the Sinai Peninsula. This military miracle was accomplished as a result of skillful espionage by Egyptian Jews who repaid the country where they had resided and prospered with treachery and betrayal. THIS MAY HELP TO EXPLAIN ANTI-JEWISH SENTIMENT IN THE MIDDLE EAST.

2. CAUSES OF ANTI-SEMITISM IN IRAN (PERSIA):

The chief purpose of the Iranian (Persian) Jewish community is to keep Iran tied to the Baghdad Pact thus preventing her large Moslem population from siding with the neighboring Arab states against Israel. We quote a dispatch from Tel Aviv in "THE AMERICAN EXAMINER" of December 26, 1957 entitled, "Jews in Iran in First Parley":

"The first convention of Iranian Jewry in modern times was an "important milestone" in the long and ancient history of the Jews in Persia, Prof. Arie Tartakower president of the Israel section of the World Jewish Congress, who participated in the parley, declared in Tel Aviv. There are some 85,000 Jews in Iran, Prof. Tartakower estimated. He noted that of 17,000 JEWISH CHILDREN IN THE COMMUNITY, 11,000 WERE RECEIVING A JEWISH EDUCATION...The WJC leader said that Persian Jewish women were emancipated and that many of them had participated in the convention of Iranian Jews."

"THE LONDON JEWISH CHRONICLE", in a dispatch from Teheran, reported that the convention, which lasted four days and was attended by representatives of all Jewish organizations in Iran, was opened by Prince Gholam Reza Pahlevi, the brother of the Shah of Persia. An address was made by Hussein Ala, Minister of Court, who said that Mohammed Reza Shah Pahlevi, the Iranian Sovereign, "had the welfare, happiness and progress of all his subjects at heart, regardless of their race or religion."

In this way the Zionist Jews are skillfully organizing the Jewish communities throughout the world to act as agents of the Israeli state. We find Iranian Jewish children sent to schools where they will be trained as fanatical young Zionists without loyalty to any nation but Israel. When Israel starts its inevitable drive for expansion in the Middle East these Jewish communities will serve as potential fifth-columns in every nation where they are firmly established. Americans are reminded of Eisenhower, Nixon, Truman and Roosevelt when they see the brother of the Iranian potentate rushing to a Jewish convention to heap praise upon a race of people whose deceit and treachery extend back into history for over 4000 years.

3. CAUSES OF ANTI-SEMITISM IN INDONESIA:

We quote an article from "THE AMERICAN EXAMINER" of December 26, 1957 entitled, "Indonesian Jewry Facing Hardships, REPORT Shows": "The Australian Jewish community offered its assistance to any Jews forced out of Indonesia in the current anti-Dutch disorders. The offer was made by Sidney D. Einfeld, president of the Executive Council of Australian Jewry, to the Dutch (Jewish) community in Sydney, Australia. He pledged that his organization would provide temporary accommodations and other care to Indonesian Jews expelled or fleeing from their country...Since the Indonesians took over control of their own country the economic position of the Jews has worsened. Together with other non-natives in the population, they have been forced out of business and well paid positions by government regulations and laws aimed at putting control of the economy in the hands of Indonesians."

As a result of this patriotic policy both President Sukarno of Indonesia and President Nasser of Egypt have been branded as "Red-dominated" by America's pro-Zionist press and radio. The peoples of Asia and Africa must learn to differentiate between Western Imperialism and unscrupulous Jews of French, British or Dutch nationality who have exploited their land and natural resources under the protection of the French, British and Dutch flags. The people of America and Western Europe no longer control their governments, industries or media of communication. WESTERN CIVILIZATION HAS BECOME THE SLAVE OF JEWISH IMPERIALISM. This is the fundamental cause of anti-Semitism.

I. GENERAL ACTIVITIES OF THE NATIONAL RENAISSANCE PARTY (NRP)

T-1 indicated on March 31, 1958, that the NRP continues to maintain headquarters at 10 West 90th Street, New York City, in the apartment of JAMES MADOLE, its national leader. He stated that MADOLE holds informal gatherings weekly at this apartment, which are attended by a handful of NRP supporters. He stated that at present MADOLE is unemployed, but MADOLE claims to have sufficient funds to continue operation of the NRP. MADOLE has stated, according to T-1, that he plans no future public meetings of the NRP, but is content to have followers attend meetings of such groups as the "Truth Seeker", at which MADOLE is a speaker. JAMES H. MADOLE

T-1 added that the "Truth Seeker" is an atheist group headed by one CHARLES SMITH, which has been active for many years in New York City and which publishes a monthly pamphlet entitled, "Truth Seeker" - N.Y. Oldest Freethought Paper in the World, Founded 1873. N.Y.

[redacted] indicated on February 19, 1958, that he recently became interested in the NRP and as a result had invited JAMES MADOLE and other members of the NRP to his home. He stated that it is his opinion that the NRP is a rather small ineffectual organization, with MADOLE in complete charge. He stated that it appears that at the present time MADOLE is making a great effort to publicize the Arab point of view in its struggle against Israel. He added that MADOLE apparently regularly visits official Arab establishments in New York City where he obtains much Arab literature. [redacted] indicated that he was not able to ascertain if MADOLE was being paid for this work or what he expected to get out of it.

FREDERICK WEISS

CONTRIBUTED TO- NATIONAL RENAISSANCE PARTY

N.Y. T-1 indicated on January 20, 1958, that any information concerning FREDERICK WEISS' contributions to the NRP undoubtedly have reference to something in the past. He stated that MADOLE and WEISS have not seen each other in many months, and they definitely do not get along anymore. He stated that WEISS has not made any contributions to the NRP in recent months.

MAX B. HUDDLE

MEMBER- NATIONAL RENAISSANCE PARTY

T-1 advised on January 15, 1958, that MAX B. HUDDLE, 839 Riverside Drive, New York 32, New York, a member of the NRP, had recently printed a pamphlet entitled, "A Program For Nationals". He stated this booklet was written by HUDDLE and was his solution to the social, economic and political problems in the United States. This booklet requested that the reader "come to work for Americans For Democratic Rule". T-1 added the Americans For Democratic Rule is an alleged organization formed by HUDDLE, but so far as he knows, it is a one man organization and has no activities or members. U.S.A.

III. STATED AIMS AND PURPOSES OF THE NRP

The February, 1958, NR Bulletin contained the following on its masthead: "official organ of the National Renaissance Party devoted to restoration of the American Republic, preservation of American sovereignty and the establishment of a American regime based on the principles of racial nationalism and social justice".

IV. ACTION TAKEN TO IMPLEMENT THE PROGRAM OF THE NRP

A. Meetings

T-1 indicated on January 13, 1958, that JAMES MADOLE had attended a meeting on January 10, 1958, at Pythian Hall, sponsored by the Truth Seeker, an atheist group headed by CHARLES SMITH. He said that MADOLE was accompanied by about 15 of his boys, but MADOLE indicated to these persons that he had no intention of trying to take over SMITH's group. MADOLE, however, indicated he hopes to speak regularly at these meetings, thus saving himself the trouble and expense of organizing public meetings of his own.

T-1 added that MADOLE spoke at this meeting along his usual anti-semitic line, and CHARLES SMITH, who is quite elderly and ill, attended the meeting, but did not speak.

JAMES MADOLE was observed by Special Agents of the FBI leaving his residence at 10 West 90th Street, New York City, on January 10, 1958, with five other persons and proceeding to Pythian Hall, Broadway and West 70th Street, New York City, where he was observed to enter.

NY 105-6112

N.Y. {
T-2 stated on January 20, 1958, that he attended a meeting at Pythian Hall on January 10, 1958, at which about 35 people were in attendance including JAMES MADOLE, RALPH CHINELLI, JOE RUDDEN, PAUL DE KRUIF, [REDACTED] and TONY PITTA, all members of the NRP. T-2 stated that MADOLE previously had requested that all his followers attend this meeting, and that MADOLE spoke before this gathering along his usual anti-semitic line.

b6
b7C

MEMBERS - NATIONAL RENAISSANCE PARTY

T-2 indicated on January 27, 1958, that he had attended a meeting on January 26, 1958, at Union, New Jersey, sponsored by "Common Sense". He stated MADOLE had invited members of the NRP to attend and some of those in attendance were GRACE MADOLE, JOE RUDDEN, Mrs. CROOKES, RALPH CHINELLI, [REDACTED] and LITTL. T-2 added that MADOLE spoke briefly at this meeting utilizing the NRP line of anti-semitism.

b6
b7C

MEMBER - NATIONAL RENAISSANCE PARTY

T-2 indicated on January 10, 1958, that a meeting of the NRP was held at the apartment of MADOLE on January 9, 1958, which was attended by MADOLE, GRACE MADOLE, JOE RUDDEN, RALPH CHINELLI and an unknown friend of CHINELLI, TONY PITTA and [REDACTED] MADOLE indicated during this meeting that he is thinking of taking over a group which is headed by a man named SMITH, who is quite elderly, and asked all his followers to attend a meeting of this group at Pythian Hall on January 10, 1958.

b6
b7C

T-1 indicated on February 4, 1958, that a mass meeting had been held on Sunday, January 26, 1958, at the headquarters of "Common Sense" in Union, New Jersey. He said MADOLE had attended this meeting with about eight members of the NRP. He said MADOLE was the first speaker at the meeting and went on for about 15 minutes on the NRP line to the effect that the white race would rule, and that the Jew is the enemy of the white man. MADOLE also stated that Mexicans, Puerto

NY 105-6112

Ricans and other prototypes in South America and Asia would have to accept the inevitable or they would be exterminated. MADOLE stated "We will have to seize power, show no weakness and no pity."

T-1 added that in a discussion with several people before the meeting MADOLE had stated that the NRP stands for the "corporate state and the rule of the white race". He attacked Christianity as being a total myth and praised Vikings, Romans and Germans under Hitler, and he predicted that in order to survive "We will have to conjure another Hitler and having learned from the past by our mistakes and weaknesses, that we will win this time." MADOLE also stated that "Communism and Zionism are polluting the white race and the world doesn't need Jews, Puerto Ricans and all that scum which is slowly weakening the white race."

T-1 indicated on February 20, 1958, that the "Truth Seeker" group held a meeting on February 14, 1958, at Pythian Hall, New York City. He said JAMES MADOLE attended with about eight other members of the NRP, and that MADOLE spoke his usual lines attacking the Jews, Negroes and Puerto Ricans as unassimilable people.

T-1 indicated on March 10, 1958, that MADOLE indicated that he would attend a National Review Forum to be held at Hunter College on March 20, 1958. MADOLE stated that he and some of his boys would pass out NRP literature on the sidewalk prior to this meeting. It is noted that the "National Review", 211 East 37th Street, New York City, states that it is "the weekly magazine of conservative opinion". MADOLE also indicated he would attend a "Truth Seeker" meeting on March 14, 1958, and take members of the NRP to this meeting.

NY 105-6112

A Special Agent of the FBI observed JAMES MADOLE, JOSEPH RUDDEN, and an unidentified person named [redacted] in attendance at the National Review Forum, Hunter College, on March 20, 1958. These three individuals were observed on the sidewalk outside Hunter College distributing literature to persons as they departed from this meeting. The literature distributed was in the form of various NR Bulletins and Arab literature stamped with the name of the NRP.

b6
b7C

T-1 stated on March 21, 1958, that a meeting was held at Pythian Hall on March 14, 1958 by the "Truth Seeker" group also called the Ingersoll Forum. He stated that JAMES MADOLE attended with a large group of his followers. He stated that MADOLE spoke at this meeting and distributed many copies of Arab literature, which had been stamped with the name of the NRP.

~~JOSEPH RUDDEN~~

T-1 added that ~~JOE RUDDEN~~, an NRP member, also spoke briefly, but was very ineffectual and was barely audible. T-1 added that MADOLE appears very happy with his relationship with this group inasmuch as he does not have to pay any rental to attend these meetings and uses these meetings as his sounding board and a place where he can distribute his NRP as well as Arab literature.

B. Publications

T-1 indicated on January 17, 1958, that JAMES MADOLE recently made the rounds of the Arab establishments in New York City and had obtained the following literature, which he rubberstamped with the name of the NRP and which he would presumably distribute through NRP channels:

1. "Strife In The Holy Land", the May, 1957 article of the Arab League.

NY 105-6112

2. "Notes On The Suez Canel Controversy" by Dr. FAYEZ A. SAYEGH, November 1956 booklet of the Arab League containing 18 pages.

3. "The Aspirations Of The People Of North Africa", by MUHAMMAD H. EL FARRA, which is a reprint from a July, 1956 magazine.

4. "Statement Before The Special Political Committee Of The United Nations", by Dr. IZZAT TANNOUS, Director of the Palestime Arab Refugee Office in New York, dated November 28, 1957.

T-1 indicated on January 20, 1958, that MADOLE had finished the January, 1958 NR Bulletin consisting of one article entitled, "Zionism, The Jewish Colossus Which Dominates The Western World", by JAMES H. MADOLE.

N.Y. T-1 said MADOLE indicated the proof copy would go to CONDE MC GINLEY on January 20, 1958, to be mimeographed at the office of "Common Sense". T-1 said this article refers to the recent Afro-Asian Conference held in Cairo as being the condemnation of western support of the illegitimate state of Israel, the Baghdad Pact and the Eisenhower Doctrine. In the article, MADOLE indicates that the Jewish race constitutes a world-wide network of subversive aliens who by their action are driving more than one billion Afro-Asians into the Soviet orbit. T-1 said that MADOLE calls President EISENHOWER a "fawning tool of organized Zionism" and states that IKE helped Zionism during World War II.

MADOLE also questions that the United States should consider relations with the Soviet Union objectionable at this time when during World War II, American had no misgivings about collaborating with Russia. MADOLE states that the Soviet Russian Government

NY 105-6112

became anti-Zionist since the termination of World War II, whereas America has become a virtual slave of Jewish ambitions.

T-1 indicated on January 15, 1958, MADOLE indicated that he recently had sold \$30.00 worth of the latest NR Bulletin in the Yorkville Section of New York City.

[REDACTED] on March 4, 1958, advised SA JOHN W. FAIN that he had received a mimeographed sheet captioned "The Jewish Peril", which contained accusations against the Jewish race and cartoons of individuals depicting Jewish facial characteristics. He referred to this sheet as being "typical anti-Jewish propaganda", and that it was stamped as being by the National Renaissance Party, 10 West 90th Street, New York 24, New York.

b6
b7c

T-1 indicated on March 8, 1958, that JAMES MADOLE indicated the new bulletin would be ready for mimeographing about March 5, 1958, and the title would be "Anti-Semitism Justified By History". MADOLE stated the main theme of the article, which stated the causes of anti-semitism in the Near East, had been written by the Arabs. MADOLE explained that the Arabs he had reference to were "the Egyptians and everything clears through them".

T-1 indicated on March 11, 1958, that the February, 1958 NR Bulletin had been mimeographed at the office of "Common Sense", and contained one article entitled "Is Anti-Semitism Justified By History?", by JAMES H. MADOLE.

C. NRP Groups In the United States And Association
Of The NRP With Other Nationalist Groups

No information has been received during

NY 105-6112

the period of this report indicating that the NRP has any active groups outside New York City or that it is attempting to associate itself with other nationalist groups.

NY 105-6112

APPENDIX

It is noted that "Common Sense" published by the Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee". According to the report, "Common Sense" depicts Communism as "Judaism", and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

For the information of Mobile, [redacted] has advised on 4/21/58 that the National Renaissance Party is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the NYC area. It was founded in 1949 by JAMES H. MADOLE, who is in complete control of the party. The party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from Arab establishments in NYC. The Un-American Activities Committee of the US House of Representatives, in a preliminary report dated 12/17/54, stated, "NRP activities and propaganda are clearly subversive and un-American."

RACIAL NATIONALIST CANDIDATE SEEKS GOVERNORSHIP OF ALABAMA

Rear Admiral John G. Crommelin (USN RET.) has declared himself a candidate for the office of Governor of the state of Alabama on the Democratic Party ticket. The primary election takes place on May 6, 1958 and we urge all members of the National Renaissance Party living in Alabama to support John Crommelin at the polls on that date. Those who wish to contribute to his campaign fund should send their contributions to PAYRIOTS FOR CROMMELIN, BOX 441, WETUMPKA, ALABAMA.

Rear Admiral Crommelin is the only major political candidate in America today who has openly dared to expose American Jewry as the sinister force behind the drive for racial integration in the United States. The following statement can be found in Mr. Crommelin's campaign literature under the title, "WHO IS JOHN G. CROMMELIN?":

"Nine years ago John Crommelin told the American people the truth about potential subversion in Washington and as a result was forced to retire by the then President Harry S. Truman. (Ten months later Crommelin's estimate was proved by Truman's unreasonable conduct of the Korean War.) Since then John Crommelin has been very active in the political and public life of Alabama and has maintained a very keen interest in the welfare of his fellow Alabamians and this nation."

While many Southern leaders have not hesitated to attack the deadly policy of racial integration, whose evil and terrifying results can be seen in the New York public schools where rape, murder and pillage are becoming everyday events, few, if any, Southern political leaders have dared to expose the Jewish organizations which are the financial and intellectual backbone of this stupendous drive for racial integration in all aspects of American life. These Southern political leaders try to convince their poorly informed followers that millions of dollars spent by the NAACP and the Urban League are collected from shanty-town Southern Negroes or the slum dwellers of New York's Harlem. There are only 400,000 Negroes, out of a population of 17,000,000 Negroes in the entire United States, enlisted in the NAACP. The few wealthy Negroes in America avoid open identification with the rabble-rousing, Jewish sponsored NAACP as they would avoid a deadly plague. Americans from the deep South, who have never been in the North, fail to realize that only the Jew holds the political purse-strings of the nation in his grip. Arthur Spingarn, financial angel of the NAACP, Theodore Kheel of the Urban League and Charles Abrams of the State Committee Against Discrimination in New York (SCAD) are all Jews. The rank and file Negroes who form the membership of these rabble-rousing organizations are merely window-dressing without influence or power. BEHIND RACIAL INTEGRATION STANDS THE ORGANIZED FINANCIAL AND POLITICAL POWER OF THE JEW.

Thus John Crommelin becomes invaluable to the racial nationalist cause when he states in his platform, "My purpose is to conduct a hard hitting campaign in every precinct in Alabama; expose the origin, nature and aims of the Communist-Jewish Conspiracy; win the election; establish a close and harmonious man-to-man relationship with each and every member of both houses of the State Legislature, and with their assistance break the grip of the Communist-Jewish power centers in New York and Washington; and return control of our State government to you White Christian Alabamians, my own people."

To further prove that John Crommelin is an American patriot and not fearful of criticism by the worst enemies of our race and nation we now quote from "THE NATIONAL JEWISH POST" of February 14, 1958, page 9, entitled, "ALABAMA GOVERNOR CANDIDATE IN ANTI-SEMITIC OUTBURSTS":

"The anti-Semitic accusations of a candidate in Alabama's current race for governor caused considerable concern at the fourth annual meeting here (in Atlanta, Ga.) of the Southern Regional Board of the Anti-Defamation League. But no action was taken on the matter except the board's expressed feeling that the abusive language of John Crommelin, the gubernatorial candidate, emphasized a matter that would have to be dealt with by Alabamians on their home ground."

"Crommelin was quoted during a forum of gubernatorial candidates as saying that "the satanic plot to mix the blood of the White Christian people of the South with Negroes is directed and financed by the Communist-Jewish conspiracy" "The ultimate objective," Crommelin declared in Birmingham, "of the Communist-Jewish conspirators is to use their world-wide control of money to destroy Christianity and set up a world government in the framework of the United Nations...and eliminate all racial distinctions except the so-called Jewish race, which will then become the master race with headquarters in the state of Israel and in the United Nations in New York..."

"While the ADL board refrained from taking action, it was pointed out by a spokesman that, "in the long-range picture, Crommelin is a passing danger as John Kasper was. But if we don't counteract the action of each one, however minor, we may miss the one who would become a Hitler."

Whether or not John Crommelin wins the primary election on May 6, 1958, he will open the eyes of the entire population of Alabama to the all important Jewish Question. In this way he is paving the road for the ultimate liberation of the American people and deserves the complete support of all NRP members both inside and outside of Alabama. Write to his headquarters in Wetumpka, Alabama for campaign literature.

BEHIND RACIAL INTEGRATION STANDS THE JEW.
James H. Madole

The recent bombings of the Nashville Jewish Community Center and a Jewish recreation center in Miami, both of which served as meeting halls for radical, pro-integrationist organizations, prove conclusively that White Southerners are finally awakening to the fact that organized American Jewry is the basic motivating force behind the drive for racial integration. With 5,190,000 Americans unemployed as of mid-March and 352 firms listed as business failures or closed due to bankruptcy, President Eisenhower was trying to soft-pedal all civil rights legislation to prevent further riotous situations from developing in the South. The collapse of the American economy has virtually spelled doom for the Republican Party in 1960 but the same Jewish pressure groups which bought the nomination for Eisenhower in 1956 now hope to elect Adlai Stevenson on the Democratic ticket in 1960. Stevenson would inaugurate another NEW DEAL regime, similar to the Jew-ridden Roosevelt clique of odious memory. STEVENSON WOULD ALLEVIATE OUR BUSINESS SLUMP BY THE ROOSEVELT METHOD NAMELY: BY STARTING WORLD WAR III.

Ever since the creation of the Federal Reserve Banking system in 1913, our government has placed the power to control currency and credit as well as the power to create inflation and depression in the hands of private, alien Jewish bankers. This same situation can be found in Great Britain, France and Germany. The founder of the Jewish banking dynasty, Mayer Amschel Rothschild, once stated, "Permit me to issue and control the money of a Nation, and I care not who makes its laws." The Rothschilds and their descendants have since become the absolute rulers of Western finance with the power to expand or deflate currency and credit at will thus placing in their

alien Jewish hands the ability to bring about inflation, depression and untold misery for entire nations. Our government, whether dominated by Republicans or Democrats, is forced to borrow huge sums of money from these Jewish bankers through the Federal Reserve Bank at heavy rates of interest. Our huge national debt is owed to these international shylocks.

Our nation is living on credit extended by these Jewish-owned banking institutions which have a complete monopoly on the world's gold supply. Our people have their homes mortgaged, are forced to borrow from Jewish-owned loan companies or to borrow from banks at excessive rates of interest and even their automobiles, radios and television sets are bought on time, through the media of installment buying, from Jewish middlemen, car dealers and Jewish department stores. Our government is helpless to act while indebted to this financial octopus.

The only solution which can eternally break the chains of debt-slavery which have shackled the proud American Eagle since 1913 is to destroy the power of the Jew which lies in his control of the gold market. Therefore we must nationalize the American banking system, abolish the Federal Reserve octopus and place the control of currency and the issuing of credit in the hands of the racial nationalist state whose purpose is to safeguard and promote the welfare of the totality of the American people. We must then abolish the gold standard and erect our standard of values on the productive capacity of the American workers. This would give our nation the highest standard of living in the world. It would also abolish the possibility of economic travail periodically inflicted on our nation by inflation and depression of the national currency and would eliminate the need for a Federal income tax. It would restore currency and the coinage of money to the hands of the Federal government as guaranteed in the Constitution of the United States and WOULD CRUSH FOREVER THE POWER OF INTERNATIONAL JEWRY WHICH LIES IN THE POWER OF GOLD. THE NATIONAL RENAISSANCE PARTY is the only political party in America committed to such an economic program.

Racial integration is the weapon used by American Jewry to lower the social and cultural level of White civilization on the North American continent. Negroes and Puerto Ricans are merely convenient tools. In Great Britain the Jew is seeking to flood the nation with West Indians and colored hordes from the English colonies. The inability of the Negro race to absorb or benefit by the cultural standards of Western civilization was stressed in the "SATURDAY EVENING POST" of April 27, 1907 in an article entitled, "THE VARDIMAN IDEA --HOW THE GOVERNOR OF MISSISSIPPI WOULD SOLVE THE RACE QUESTION". Governor Vardiman was a staunch believer in racial segregation and his views were given a fair hearing in the American press of 1907, something that would never happen in the Jew-dominated American "free press" of today. We quote the article as follows:

"The White man cannot, by law, confer his own instincts, his genius for government, his capacity and power of comprehension upon the Negro. The Negro should never have been trusted with the ballot. He is different from the White man. This inestimable privilege was thrust upon him, snatching him out of his 20,000 barbaric years and placing him shoulder to shoulder with the heir of all the ages. This was a stupendous blunder, worse than any crime, and the sober second thought of the nation should correct it. We must repeal the 15th and modify the 14th Amendment to the Constitution of the United States. Then we shall be able in our legislation to recognize the Negro's racial peculiarities, and make laws to fit them. This would leave the matter precisely as was intended by the Fathers of the Republic."

"Human history begins in the valley of the Nile. Equatorial Africa, occupied by Negroes, has been vaguely known to Europeans for about 4 centuries; that portion occupied by Egyptians has a recorded history variously estimated at from 5000 to 17,000 years before Christ. Throughout this staggering antiquity we catch an

occasional glimpse of the Negro, described in the writings or sculptured on the Egyptian monuments, always as a savage, always as a slave. God planted the Egyptian and the Negro side by side, in that fabled valley, with equal opportunities...There were no tyrants in those days, no masters and no slaves; there were neither riches nor poverty. Nothing had been preempted, nothing patented; there were no Jim-Crow cars; everything was equal."

"Mark the lapse of a few centuries. The achievements of Egypt can scarcely be catalogued, they are so versatile and so magnificent. The Egyptian had erected constitutional government, created the kingly dignity and safeguarded the people's rights. He was skilled in medicine and wrote works on astronomy, architecture, anatomy--fragments of which remain to this day. He had built cities which are yet the wonder of mankind; he had devised an elaborate system of religion, he had harnessed the Nile, reared the pyramids and measured the stars. But the Negro's jungle was still a jungle. He had no government, no cities, no learning; he had no clothing, no arts, no aspirations. He had dreamed no dreams, hoped no hopes, indulged no visions. He had desired nothing, planned nothing, executed nothing in any wise more intellectual than the accomplishments of the gorilla-- except his crude superstition, a form of serpent-worship which no White intelligence has ever yet been able to understand. His sole place in history is the one accorded him by his enterprising neighbor---a driven slave sculptured upon the resting-place of kings. Left alone, contented in his jungle, he had progressed backward and become a feeder upon human flesh a polygamist, without religion, family ties or morals. He was the inventor and promulgator of slavery, the patentee and proprietor of cannibalism--- these being the twin institutions which he had contributed to human progress."

"The Egyptians observed these traits of the Negro which had kept him at a standstill, and promptly assigned the reason. Oddly enough it is the same reason given by Lincoln, Stanley, Livingstone, Vardaman etc.---"the skull of the Negro is different. They had the elongated skull, the low, prominent forehead, hollow temples, thick lips, broad shoulders, salient breast, undeveloped lower part of the body"--- all minutely described by careful hands which now repose as mummies in royal mausoleums beside the Nile...The Negro helped to build the Temples of Rameses, he polished the columns of Karnak, he toiled at the hundred gates of Thebes. But he gained no more conception of those colossal works than did the donkeys which helped him drag the stones. Under the lash of Egypt he could build the pyramids; without a higher intelligence to guide him he builds a hut of poles. The story of man ran on. The Assyrians conquered Egypt..Phoenician galleys, with sails of royal purple, floated past on restless explorations; the Negro gained no knowledge of commerce or navigation. Mighty Carthage arose, dominated the maritime world, and fell beneath the steel-tipped wrath of Rome; but neither Carthaginian nor Roman had a lesson for the Negro...Conquering Moslems swept westward along the Mediterranean, crossed into Spain and subjugated it. They bore the Koran in one hand, the sword in the other, building new empires and spreading a new civilization. They left enduring marks upon the entire Western world---except upon this changeless Negro. New nations came out of the North, white savages from German forests who beat down the barriers of Rome and overran the world. Crusaders flaunted their banners along the shores of Africa. The Negro watched them all and remained as he was."

Throughout these 60 turbulent centuries history knew nothing of the Negro and the Negro knew nothing of history. He had contributed nothing to the onward march and gained nothing from it. All the peoples of the world had blazoned their names upon the great book of the world's events--all save one...Curiously enough, we find the early Egyptians deploring the evil effect upon their race caused by an admixture of Negro blood. It seems uncanny in this 20th Century of grace to hear this far-away protest against miscegenation, and to reflect how little humankind has changed. Thus complained the Egyptians; "The large number of black women found in the harems of the rich, and even in the huts of the common people, quickly impaired the purity

of the race...the taste for art decayed; technical ability began to deteriorate. The moral and intellectual standards declined, and the mass of the people showed signs of relapsing into barbarism." King Taharqa, whose Negro blood is betrayed in his sculptured face, a mixed degenerate, was driven from the throne by the Assyrians. This is what happened to Egypt, the most cultured and refined country of antiquity."

The moral corruption and degeneracy prevalent in the American public school system as a result of racial integration in our Northern cities is but a foretaste of things to come. Everywhere the Jew is spinning his web of racial degeneration and subversion, paving the way for conquest of America and Western Europe by savage Communist hordes from the Russian steppes. America Awake.

For record purposes, ASAC of the New York Office telephonically advised my office at 2:35 PM today that information had been received through a reliable confidential source that James Madole would issue a blast against J. Edgar Hoover and would take him down a notch or two, that he would go after the Director's book "Masters of Deceit" and would point out that the Director is the "master of deceit," that all the "Hoovers in the world can't sell Jewry to us." states apparently Madole is going to have his statement in a bulletin put out by his party which is an anti-Semitic group consisting largely of German sympathizers. Madole intends to point out the long-time association of the Director with Walter Winchell whom Madole claims is an agent for the Anti-Defamation League. The bulletin is to be printed Wednesday of this week in Union, New Jersey, and the New York Office is making arrangements to get a copy as soon as possible and will forward it to the Bureau.

SUBJECT: JAMES MADOLE
NATIONAL RENAISSANCE PARTY

The New York Office on May 19, 1958, advised that, according to an informant, the above-captioned individual would issue a blast against the Director and attack "Masters of Deceit" in a bulletin issued by his organization. He reportedly would assert that the Director is the "master of deceit" and that the "Hoovers in the world can't sell Jewry to us." The bulletin is to be printed on Wednesday of this week. Mr. Tolson noted, "What is background of Madole?" and the Director commented, "Let me know."

File 105-52256 reflects that James H. Madole is the subject of an "Internal Security--Egypt; Registration Act" investigation. He is President of the National Renaissance Party (NRP), an anti-Semitic, anti-Negro and neo-Fascist group in New York City. The NRP is being investigated under an Internal Security--X caption and is presently under active consideration by the Department for designation pursuant to Executive Order 10450.

Madole, the founder and leader of the NRP, is the only person who consistently performs Party functions. According to an informant, the Party's main function is the printing and distribution of the "National Renaissance Bulletin" on a monthly basis and other literature from time to time, which is distributed throughout the United States and abroad where it is reprinted by similar organizations.

Referral/Consult

The present Registration Act investigation of Madole was instituted in November, 1956, upon receipt of information that he was distributing Arab propaganda in the New York area. Investigation reflected that Madole periodically visited various Arab diplomatic establishments in the New York area, including the Syrian and Egyptian Consulates, and obtained large quantities of propaganda which he stamped with the name of the NRP and sold to his followers.

Investigation has not developed any data that Madole is being paid by any of the Arab establishments or they have

a contractual relationship with him. Madole was not interviewed by the Bureau in view of the pending investigation of the NRP and also since he is known to be hostile to the FBI. The Registration Act aspects of Madole's activities were referred to the Department on April 25, 1958, with the request that this Bureau be advised in event his activities as reflected by our investigation require his registration pursuant to the provisions of the Foreign Agents Registration Act of 1938, as amended.

NATIONAL RENAISSANCE BULLETIN

Official organ of the NATIONAL RENAISSANCE PARTY devoted to a restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice.

J. EDGAR HOOVER, AMERICA'S FOREMOST MASTER OF DECEIT.
James H. Madole.

Many sincere American nationalists as well as political conservatives like William Buckley Jr. of "NATIONAL REVIEW", Sam Pettingill and radio commentators John T. Flynn and Fulton Lewis Jr. will shrink in horror from the title of this article which strongly questions both the veracity and the integrity of J. Edgar Hoover, the patron-saint of the American Conservative Movement and Chief of America's FBI. We hope the devout followers of Mr. Hoover will practice their much vaunted tolerance long enough to study the documentation provided in this article with an open mind. "MASTERS OF DECEIT", Hoover's most recent literary effort, proves conclusively that FBI Chief Hoover must have had himself in mind when he entitled the volume.

American nationalist leaders and publications have stated that Hoover did not actually write this book or that he was not aware of its contents when it went to press bearing his name as author. Are we then to assume that the Chief of America's Federal Bureau of Investigation, a man who has been entrusted with safeguarding our nation's internal security for nearly 35 years, permits his name to be used as author of a 374 page volume whose contents are completely unknown to him? Such ideas are completely ridiculous. The simple fact is that J. Edgar Hoover permitted his good name to be used in whitewashing organizations like the Anti-Defamation League of B'nai B'rith, the American Jewish Committee and "a host of other Jewish groups". Mr. Hoover was a close friend of radio commentator and news-columnist Walter Winchell. Winchell has long served as an unofficial mouthpiece for propaganda of the Anti-Defamation League. Considering the nature of the contents of "MASTERS OF DECEIT" it would not be surprising to learn that the plot for this book was hatched in the Stork Club, the famous New York night-club where ADL mouthpiece Walter Winchell and FBI Chief Hoover often went for after-hours relaxation.

The Anti-Defamation League of B'nai B'rith and the American Jewish Committee will be eternally remembered by patriotic Americans for their vicious attacks on Congressional Committees investigating Communist activities within American governmental agencies, in Hollywood, in American colleges and in American scientific circles. The majority of those investigated turned out to be Jews for the simple reason that the majority of members and sympathizers of the American Communist Party were then and are now members of the Jewish Race. As a result of this embarrassing discovery, which can be substantiated by obtaining the records of Congressional Investigating Committees from the Government Printing Office and studying the names and backgrounds of those people under investigation for Red activities, the Anti-Defamation League and American Jewish Committee launched a vicious smear campaign against men like Senators Joseph McCarthy and William Jenner. They popularized terms such as "Red herring" and "Congressional Witch-Hunters". Although the ADL and AJC are willing to publicly slap the wrists of such obvious Communists as Joseph Stalin, William Z. Foster and Earl Browder, they heap praise on and rush to the defense of the infinitely more dangerous "liberal democratic elements" which seek to cloak their Red activities under the label of either the Democratic or Republican Party.

Let us study and carefully analyze a few of the statements in J. Edgar Hoover's book, "MASTERS OF DECEIT", and thus determine whether Hoover is either a misguided dupe or a deliberate, unmitigated liar who is seeking to use his splendid reputation

62-83296-238

in American patriotic circles to deliberately misguide and deceive the American public into absolving American Jewry of any connection with the World Communist conspiracy. Just how patriotic and "anti-Communist" are the Anti-Defamation League and the American Jewish Committee? Most of Hoover's statements regarding Jews and Communism can be found in Chapter 19, entitled, "THE COMMUNIST ATTACK ON JUDAISM."

As head of our FBI which maintains a close relationship with the Central Intelligence Agency (CIA) of Allen Dulles, Hoover could not help but realize that the title of this chapter was completely misleading to the American public. The Soviet Russian government has never been and is not now opposed to Judaism or the Jewish race which practices the religion of Judaism. The Communist regime has opposed the political doctrine of ZIONISM because that doctrine would compromise Soviet foreign policy in the Middle East, Africa and Asia. Secondly, the political supporters of Zionism, which include 750,000 registered Zionist Jews in the United States, practice a system of dual loyalty which causes the Zionist to pledge his primary allegiance to the state of Israel. They extract money from and influence the foreign policy of their host-nations in behalf of Israel. THIS IS PERMITTED IN AMERICA AND WESTERN EUROPE BUT IS FORBIDDEN IN SOVIET RUSSIA. Opposition to Zionism can hardly be called anti-Semitism. This problem was explained in an interview with Kikita Khrushchev by Mrs. Eleanor Roosevelt which appeared in the "NEW YORK POST" entitled, "RUSSIA AND THE JEWS".

"One of the questions I submitted to Mr. Khrushchev, after the recording of the interview was ended, was about his general attitude on the Near Eastern situation and the treatment of the Jews in the Soviet Union, as well as some of his statements on the State of Israel. Mr. Khrushchev seemed very anxious to have us understand that a Communist COULD NOT BE ANTI-SEMITIC. Communism, he said, was opposed to all discrimination for reasons of race or religion, and if a member of the Communist Party were known to be anti-Semitic no one would shake hands with him. Inasmuch as Karl Marx was a Jew, continued Mr. Khrushchev, how could we believe that any Communist would be anti-Semitic? And his own son, who was killed in the war, he told us, had been married to a Jewess. (ED. NOTE: Most leaders of the Communist hierarchy are married into Jewish families. As examples we have Stalin, Molotov and Khrushchev.) Jews in the Soviet Union, he went on, were given all opportunities for education and for securing positions. He then said that the Soviets had voted for the creation of the state of Israel, but at present he felt Israel must change its policies and be less aggressive."

To further prove that Soviet Russia is not and never has been anti-Semitic, we now quote directly from the Constitution of the Union of Soviet Socialist Republics that portion which makes it a penal offence to openly express anti-Jewish sentiments. This Constitution was drafted by the predominantly Jewish leadership which controlled Russia following the October Revolution in 1917. Czarist Russia had been violently anti-Jewish because of the endless revolutionary agitation carried on by the Jewish leadership of the anti-Czarist, pro-Communist underground movement in Russia. We quote from the Constitution: "Any direct or indirect restriction of the rights of, or conversely, the establishment of direct or indirect privileges for citizens on account of their race or nationality as well as the advocacy of racial or national exclusiveness or hatred and contempt, is punishable by law."

Although Mr. Hoover states that Communism has attacked Judaism, not one shred of authentic evidence can be found to substantiate his claim. We find ample evidence of anti-Zionist feeling but much of this agitation is carried on by Communist Jews like Ilya Ehrenburg, editor of "PRAVDA". Both Zionism and Communism are subversive movements since both doctrines preach loyalty to a foreign state and seek to use American citizens to further the goals of either Israel or Soviet Russia. MR. HOOVER SEES FIT TO CONDEMN COMMUNIST JEWS WHILE HE HEAPS PRAISE ON ZIONIST JEWS IN AMERICA. Does Mr. Hoover support these Zionist fanatics who believe themselves the "CHASEN PEOPLE OF GOD" and who place their loyalty to the Jewish Race ahead of

their loyalty to the nation in which they were born. Jews are an international people their loyalty is international and they cannot be described as loyal patriots of any nation save Israel. We quote from the book, "WEISEN VON ZION", by Maritz Cohn, page 2

"Without having been absorbed, today the Hebrew spirit dominates where at first it was hardly endured. We no longer need to close ourselves in the medieval ghetto, since we have for some time possessed the dominion which was promised to us. (ED. NOTE: Cohn refers to God's alleged promise to the children of Israel that they would be lords of the Earth.) Without us no potentate in the world can undertake anything for we control the gold market. No word contrary to our taste is published because we control the press. No idea which displeases us penetrates the intellectual world because we dominate the theatre. The Hebrew spirit has conquered the world."

For Mr. Hoover's further education we now quote from the book, "ZIONISM", pages 113-114, by former Supreme Court Justice Louis D. Brandeis: "Let us recognize that we Jews are a distinct nationality of which every Jew, whatever his country, his station, or shade of belief, is necessarily a member...Organize, organize, organize, until every Jew must stand up and be counted- counted with us, or prove himself, wittingly or unwittingly, of the few who are against their own people."

These same Zionist Jews are opposed to any patriotic or nationalist upsurge of the American or European peoples. We quote from "JEWISH SENTINEL" of Sept. 24, 1936: "The most remarkable and the most injurious consequence of the Great War (World War I) has been the creation of new nationalisms and the exalting of those already existing. NATIONALISM IS A DANGER FOR THE JEWISH PEOPLE. Today, as in all epochs of history, it is proved that Jews cannot live in powerful states where a high national culture has developed."

Since Jews owe their sole loyalty to the World Jewish Community their inherent fear of nationalistic feeling among Gentiles arises from the fact that Jews, working toward an alien goal, stand out as "a state within a state" in all Gentile nations with a highly developed national culture. Thus Soviet Russia outlaws the Zionist movement but American democracy permits dual loyalty even though it costs us the friendship of the entire Afro-Asian bloc. Jewish gold dominates American politicians and political appointees, INCLUDING J. EDGAR HOOVER, AMERICA'S FOREMOST MASTER OF DECEIT.

Having proven that Communism is not attacking either the religion of Judaism or the Jewish Race but merely the doctrine of Zionism which promotes dual loyalty on the part of Russian Jews, we have disproven the first of Mr. Hoover's claims. Second we have proven that both Zionist and Communist Jews are disloyal to the United States by virtue of the fact that one group owes its primary loyalty to Tel Aviv; the other to Moscow. Let us examine another Hoover pearl of wisdom:

Some of the most effective opposition to communism in the United States has come from Jewish organizations such as B'nai B'rith, the American Jewish Committee, the American Jewish League Against Communism, the Anti-Defamation League, and a host of other Jewish groups."

The above mentioned organizations are renowned for their efforts to obstruct any legitimate investigation of Communist activities in the United States. The hordes of Jewish Communists ferreted out of choice jobs in American governmental agencies and scientific projects were defended daily as innocent liberals or people who had joined the communist party out of idealistic motivations. Congressional investigators were hounded as "anti-Semites", "witch-hunters" and McCarthyites". Let us examine the Report of the 44th Annual Meeting of the American Jewish Committee, the statement by Irving M. Engel, Chairman of the AJC in 1950. This Report concerns the activities of the AJC in 1950. We shall study this statement in order to understand how the major Jewish organizations have sabotaged every major effort to investigate and destroy Communism in America:

"But we have also been concerned lest in the process of dealing with the threat of Communism, and effecting essential security measures in these critical days, there should not occur a breakdown in the safeguarding of individual freedoms so basic to life in this country...When the Mundt-Nixon bill seemed most likely to obtain the approval of Congress, a resolution was also passed in which the American Jewish Committee opposed the measure on the ground that it was so loosely drawn up that, if enacted into law, it could be used to prosecute unjustly liberals and liberal organizations and could thus deal a great and unnecessary blow to freedom of speech."

Subsequently, the McCarran Internal Security Act became law over President Truman's veto. Pursuant to our mandate, we circulated an analysis of this bill, pointing out all its demerits, and we joined with the National Community Relations Advisory Council in a public denunciation of the measure. Further in accordance with the Executive Committee mandate, we participated in the All-American Conference against Communism sponsored by the American Legion, in order to insure that certain reactionary groups and individuals should not seize the opportunity of such a conference to sell to the American public a brand of anti-Communism, which has inherent in it the undermining of civil liberties. (ED.NOTE: The AJC wanted to make absolutely sure that the sinister connection between the Jews and World Communism was not revealed to the American public.) I believe that we can truly say to you that we have been able to contribute a point of view to that Conference, and to exert an influence there, that is resulting in a program and procedure with which, thus far at any rate, we are in accord."

We now quote the same 1950 Report of the American Jewish Committee in a statement by Dr. John Slawson, Executive Vice President of AJC in 1950: "On the other hand, we disagree wholly with the methods employed in the McCarran Act for curbing Communism, and we propose to inform the American public during 1951 of the fallacy and the dangers implicit in that law---that you can strengthen democracy by overriding civil liberties and the Bill of Rights."

In conclusion let us study a final pearl of wisdom by J. Edgar Hoover. "One of the most malicious myths that has developed in the United States is that persons of the Jewish faith and communists have something in common. The people who gave the world the concept of our monotheistic God and the Ten Commandments cannot remain Jews and follow the atheism of Karl Marx and the deceit of the Communist Movement."

Mr. Hoover uses the term "Jew" in exactly the same way as he would discuss Catholics, Protestants, Moslems or Buddhists. The Jews are not merely a religious denomination composed of many different racial and national groups bound together by a common spiritual creed as in the case of Christians, Moslems or Hindus. The Jews are a race of people cemented together by the spiritual creed of Judaism. According to Jewish Rabbinical Law ANY CHILD BORN OF A JEWISH MOTHER IS CONSIDERED A MEMBER OF THE JEWISH RACE AND SUBJECT TO THE LAWS OF THE JEWISH COMMUNITY.

Mr. Hoover is trying to tell us that a religious Jew ceases to be a Jew when he embraces Communism. We contend that religion plays no part in being a Jew since the term "Jew" refers to race not religion. To prove our point we quote from the January-February issue of the "ZIONIST COLLEGIATE" published by the Student Zionist Organization in February, 1958:

"Few would deny that among the primary goals of the Zionist movement is Jewish unity. It is equally clear that Jewish unity in the golah (among Gentile nations) has been and continues to be dependent on the attitude of the Jewish people toward their tradition. In Jewish tradition, there has never been a distinction between the religious and the non-religious. Indeed, the entire concept of "religion" is a gentile concept; there is no word for "religion" in the Hebrew Bible."

To further prove the ignorance of Mr. Hoover in regard to matters concerning

The Jews and Communism we will quote the WORLD-RENOWNED JEWISH RABBI, STEPHEN S. WISE in regard to his views on Communism. We quote from the magazine, "JEWISH OPINION" of December, 1933:

"With the rise of the Soviet regime, Jews have been granted rights not accorded even in the most advanced countries. The state, which previously did not employ any Jews, now employs in White Russia 61% Jewish officials. A Jew is commander of the Ukrainian army; a Jew is president of the state bank; Jews occupy almost all important ambassadorial posts; universities, professions, judiciary and administration now have a greater percentage than any other nationality. Anti-Semitism has been declared a state offense, and is punished as counter-revolutionary."

In addition to Rabbi Wise, we have on record similar pro-Communist statements from Rabbi James W. Wise, who actually called for an open Red rebellion in America, Rabbi Judah Magnes and Rabbi Shloime Shiffer, Chief Rabbi of the Moscow Jewish Congregation. Obviously both religious and non-religious Jews and Communism have a great deal in common which again makes Mr. Hoover an outright liar or a fool. We rather believe that J. Edgar Hoover is planning to retire soon and WANTS TO ASSURE EITHER A GOOD JOB IN THE BUSINESS WORLD OR A NICE FAT ADL OR AJC CHECK DEPOSITED IN HIS NAME.

**Re: American Nationalist Party
Louis V. Mostaccio, Chairman**

T-1 indicated on June 6, 1958, that Louis Mostaccio is a "psycho" who has been operating in the nationalist field for about ten years and previously has been a member of the National Renaissance Party and the Nationalist Party, pro-Fascist, anti-Semitic group in New York City. This source indicated Mostaccio reportedly has worked for James Sheldon, head of the Anti-Nazi League as an agent to obtain information. This source added that the Anti-Nazi League is a private investigating agency in New York City which conducts investigations of Fascist organizations. T-1 stated that he has no information that the American Nationalist Party, which was a prominent pro-Fascist group prior to and during World War II, has been operating recently, and he has no information that any literature has been distributed or any meetings held at 2347 Prospect Avenue, Bronx, New York, under the name of the American Nationalist Party. He stated he believed that someone has directed Louis Mostaccio to utilize the name, American Nationalist Party, merely for the purpose of obtaining literature and information from other nationalist organizations in this country and abroad. He stated there is no information which would indicate that this group is anything more than a one man organization.

The American Nationalist Party has been cited by the Attorney General of the United States pursuant to Executive Order 10450.

ENCLOSURE

62-83296-

T-1 indicated on April 21, 1958, that the National Renaissance Party is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the party. The main purpose and function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The Un-American Activities Committee of the United States House of Representatives in a preliminary report dated December 17, 1954, stated, "NRP activities and propaganda are clearly subversive and un-American."

The records of the Bureau of Special Services, New York City Police Department, indicated on June 11, 1958, that they have no information pertaining to an American Nationalist Party at 2347 Prospect Avenue, Bronx, New York. These records also indicated that Louis Mostaccio, 2347 Prospect Avenue, Bronx, allegedly is a fanatic Fascist, who has distributed anti-Semitic literature for the National Renaissance Party.

T-2 indicated on December 3, 1945, that Louis Mostaccio, 2347 Prospect Avenue, Bronx, told [redacted] that he wanted to join the Communist Party, but first he wanted to know if they had trade unions in Russia. [redacted] advised him that they did have trade unions in Russia, whereupon he stated he wanted to join the Communist Party.

b6
b7c

Louis Mostaccio, 2347 Prospect Avenue, Bronx, advised the New York Office of the Federal Bureau of Investigation, on March 17, 1947, that he had joined the Communist Party last Fall because of his interest in political organizations. He stated, however, he had decided that the Communist Party is bad because the Catholic Church is against it.

T-3 indicated on March 8, 1950, that Louis Mostaccio, 2347 Prospect Avenue, Bronx, requested that National Communist Party Headquarters to send him some literature, as he was interested in the Communist Party.

Louis Mostaccio, 2347 Prospect Avenue, Bronx, was arrested on September 16, 1944, by the New York City Police Department, for illegal wearing of the uniform. Investigation revealed he had been classified 4-F by Selective Service Board 113 for not having been able to meet the minimum intelligence standards of the Army. Assistant United States Attorney

[redacted] Southern District of New York, cautioned Mostaccio to desist any action which might lead to his arrest as an impersonator. His description obtained during his hearing is as follows:

Address	2347 Prospect Avenue, Bronx
Birth	February 8, 1926, New York City
Father	Cosimo Mostacchio
Mother	Guiseppino Mostacchio
Height	5' 4"
Weight	132 pounds
Hair	Brown
Eyes	Brown
Social Security Number	122-14-4165
Employment	Delivery boy

Louis Mostaccio, 2347 Prospect Avenue, Bronx, was apprehended on a Staten Island ferry in March, 1945, by [redacted] when he was observed taking notes and looking at ships in the New York Harbor. Mostaccio told the New York City Police Department at that time that he was a secret agent for Captain Midnight, who is on the radio at 5:30 P.M. He said he listened to the Captain each night, and he has been unable to cope with the Captain's code, although he has received several badges and code books from the Captain. He said he also made up his own code which he is unable to translate. He stated his reason for taking notes was that he was very nervous and the note-taking quiets his nerves. He said he was not trying to get military information, and advised if he did, he would not transmit it to foreign sources.

T-4 indicated on September 29, 1951, that a mailing list of the New York Branch of the Socialist Workers Party, probably for the year 1949 or 1950, contained the name of Louis Mostaccio, 2347 Prospect Avenue, Bronx.

The Socialist Workers Party has been cited by the Attorney General of the United States pursuant to Executive Order 10450.

T-1 indicated on October 27, 1953, that Louis Mostaccio continues to attend National Renaissance Party meetings and usually holds the American flag at outdoor meetings, while James Madole speaks. He stated that Mostaccio does not appear to be a leader or one who is exerting any influence on the activities of the National Renaissance Party, but this informant stated he believes him to be a Communist who has joined this group.

T-1 stated on May 20, 1954, that Mostaccio has appeared at all National Renaissance Party meetings, although he does not take an active part in the discussions of the group, but is a very willing worker for the party and is active in the preparation and distribution of National Renaissance Party literature.

[redacted] a National Renaissance Party member, stated that in May, 1954, that Louis Mostaccio is known in the National Renaissance Party as a leader of the strong-arm group.

b6
b7C

Edward A. Fleckenstein, 39 King Avenue, Weehawken, New Jersey, stated on January 22, 1954, that Louis Mostaccio is a former Trotskyite, who has either been persuaded or blackmailed by [redacted] a National Renaissance Party member, to do the work of the National Renaissance Party.

b6
b7C

T-1 stated on March 1, 1955, that Mostaccio continues to attend meetings of the National Renaissance Party, although he quit the National Renaissance Party in the Fall of 1954 for a period of time when he was active in the Nationalist Party, a political organization headed by West Hooker, a notorious anti-Semite in New York City.

T-1 indicated on December 15, 1954, that Fred Weiss, National Renaissance Party member, stated that in the event of prosecution of the National Renaissance Party, more people would be implicated than himself and James Madole. He said that many members of the National Renaissance Party were employed by James Sheldon, including [redacted] Mostaccio, [redacted] and Larry Sestito.

[redacted] New York City Police Department,
indicated on August 6, 1955, that Louis Mostaccio, 2347 Prospect

DETAILS:

I. GENERAL ACTIVITIES OF THE NATIONAL RENAISSANCE PARTY (NRP)

T-1 indicated on June 27, 1958, that JAMES MADOLE continues to maintain headquarters of the NRP at his apartment, 10 West 90th Street, New York City. *W.Y.*

He said that MADOLE has indicated recently that he is spending all of his time preparing literature of the NRP as well as writing the new NRP bulletin.

JAMES 20.1 MADOLE said the new bulletin would deal with General DE GAULLE, his friendship with the Jews of Israel and his close association with international Jewish bankers.

MADOLE indicated he received his data on DE GAULLE from the Arabs.

MADOLE stated his current bulletin had been well received and that all the letters that he received concerning it, except one, had been high in praise of its contents.

~~SECRET~~

NY 105-6112

~~SECRET~~

MADOLE indicated he had received \$72.00 in donations as a result of the last bulletin.

T-1 added that MADOLE had a great deal of Arab literature on hand in his apartment, which appears to have come predominantly from the United Arab Republic Office, 900 Park Avenue, New York City.

This source stated that MADOLE continues to be in complete control of the NRP and has indicated that he has no plans for future public meetings of the Party.

This source stated there have been no public meetings within recent months and that MADOLE apparently has decided that it is more profitable for him personally to cooperate with Arab countries and distribute their literature than to conduct public street meetings of his own and solicit contributions.

T-1 indicated on April 21, 1958, that the NRP is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the New York City area.

It was founded in 1948 by JAMES H. MADOLE, who is in complete control of the Party.

The Party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

T-1 indicated on May 13, 1958, that MADOLE indicated he had finished an article requested by the Arabs, which had taken him three weeks to prepare and contained 35 pages.

He said it is a report on conditions in the United States relating to their boycott of Jewish firms and he does not believe it will be printed, but is for the use of the Arabs.

He listed firms that do business with Israel or in some way were for Israel and firms that contribute to the United Jewish Appeal or other funds and collected money related to Jewish affairs.

MADOLE indicated he had listed 400 such companies and that he did a major part of the work himself, but had received some help. However, he did not indicate where the information was obtained.

MADOLE said he had delivered this report to the Egyptian Office and had stated that these Arabs were infantile in believing that there are good and bad Jews.

MADOLE stated he now averages about \$200 monthly on his operation of the NRP and that he is not worrying about money and is not looking for another job.

T-1 indicated on May 19, 1958, that MADOLE stated he had attended a meeting at Hunter College on May 7, 1958, and that he had gone alone.

MADOLE said there were about 51,000 people present and it was simply a Jewish-Catholic meeting. He stated that the place was full of policemen and he saw at least 20 inside the auditorium.

MADOLE indicated he did not pass out any literature on the sidewalk before or after the meeting.

MADOLE indicated he is too busy at present to hold any NRP meetings of his own and that CHARLES SMITH, leader of the Truth Seeker Group would not hold any more meetings until next Fall.

MADOLE said he would not speak at any street meetings this summer because of being occupied with writing the party bulletin and doing work for the Arabs.

MADOLE said he is doing well and cannot handle any more work inasmuch as the Arabs introduced him to the Indonesians and they pay him for his writings.

II INDIVIDUALS CONNECTED WITH THE NRP

T-1 indicated on April 1, 1958, ^{W-LOC} that MADOLE stated he had received a letter from JOHN LUNDOFF in which LUNDOFF indicated ^{WISC} he had recently been down South and stating that [redacted] is in Alabama helping Admiral CROMMELIN.

b6
b7C

This source added that several years ago when LUNDOFF appeared at NRP street meetings, he was suspected of being an agent of some kind and the source believes it is possible that this new contact by LUNDOFF of MADOLE may be an effort by someone to attempt to feed information to the informants and investigators who work around MADOLE.

This source stated that MADOLE indicated his next bulletin would deal with the United States recession and he would give a full page plug to Admiral CROMMELIN for Governor of Alabama.

MADOLE said his recent bulletin dealing with affairs in the Near East was satisfactorily received.

^{W-1} MADOLE further indicated he is having CONDE MC GINLEY, editor of "Common Sense" reprint a thousand copies of a cartoon sheet which contains anti-Negro cartoons and quotations, which is entitled, "Exposing the Perils of Racial Integration."

T-1 stated that he has no information concerning any plans by MADOLE to go on a speaking tour of Louisville and Knoxville and that he does not personally believe that MADOLE would make such a trip.

T-1 indicated on May 6, 1958, that MADOLE indicated on May 1, 1958, that FREDERICK WEISS had visited his apartment and offered he and his mother a four room apartment in Yorkville where MADOLE would be able to do his work properly.

WEISS indicated to MADOLE that he would make the arrangements with the superintendent so that MADOLE would not be bothered and MADOLE gained the impression that the rent on this apartment would be paid for him.

MADOLE stated he flatly refused this offer and shortly thereafter WEISS left.

MADOLE stated that he still does not trust WEISS because when they formerly worked together, MADOLE'S letters, which WEISS had access to, later appeared in a publication of the Anti-Defamation League.

MADOLE indicated several weeks ago that JOSEPH RUDDEN had recently appeared with new clothing and a new overcoat which he claimed he bought with \$300 he had won at Bingo.

MADOLE commented that this is not so and he knows RUDDEN is an agent, who is selling information to anyone who will pay for it.

He stated that RUDDEN, as well as [REDACTED] has been trying to find out who is financing the operation of "Common Sense" published by CONDE MC GINLEY.

T-2 indicated on May 14, 1958, that FREDERICK WEISS a member of the NRP, made a statement to the effect that he knew the FBI had a file on him which contained information that he, WEISS, had received \$16,000 or \$18,000 from the Communist Party, which information, according to WEISS, was untrue.

T-2 said he knew nothing further regarding this statement, except that he had heard WEISS make it.

T-2 stated that JOSEPH RUDDEN, after a heavy drinking party, had indicated that WEISS was not to be trusted as he had "a friend in the FBI."

T-2 also stated that JAMES MADOLE plans to make a trip through the South in June, 1958, in connection with the work of the NRP.

L. H. Dommerich and Company, 261 Madison Avenue, New York City, indicated on May 7, 1958, that JAMES H. MADOLE was employed by this firm on September 13, 1955, as a junior clerk at \$40.00 per week, and that he left of his own accord on December 4, 1957.

b6

He stated MADOLE listed his birth date as July 7, 1927; his address as 10 West 90th Street, New York City; and his Social Security Number as 054-24-378. His references were listed as KURT MERTIG, 508 2nd Avenue, New York City; ALFRED PITTMAN, Box 97, Kew Gardens, Queens, New York; and Mrs. HAROLD CROOKES, 1001 2nd Avenue, New York City. The latter was also listed as MADOLE'S previous employment from May, 1953 to June, 1955.

IV ACTION TAKEN TO IMPLEMENT THE PROGRAM OF THE NRP

A. Meetings

T-1 indicated on May 27, 1958, that a small meeting of members of the NRP was held on May 22, 1958, in the apartment of JAMES MADOLE, 10 West 90th Street, New York City.

He stated that most of the talk during this meeting concerned the bulletin about J. EDGAR HOOVER in the "Masters of Deceit".

He stated the following persons were present:

JOE RUDDEN

[REDACTED]

JOSEPH LETTL

w. f.

b6
b7C

Also present were several young boys who formerly were associated with WEST HOOKER'S Nationalist Party.

MADOLE indicated at this meeting that the new bulletin would be delivered to CONDE MC GINLEY on May 23, 1958, and the printing would be finished the following week.

T-1 added that these small informal meetings are held weekly at MADOLE'S apartment with only a handful of persons in attendance.

~~SECRET~~

NY 105-6112

~~SECRET~~

T-1 added that no public meeting are planned for the future.

B. Publications

T-1 indicated on April 21, 1958, that the March-April, 1958 "National Renaissance Bulletin" had been printed by CONDE MC GINLEY and was being distributed by JAMES MADOLE.

He stated this bulletin consisted of two articles entitled, "Racial Nationalist Candidate Seeks Governorship of Alabama", which concerned Admiral JOHN CROMMELIN of Wetumpka, Alabama and "Behind Racial Integration Stands the Jew" by JAMES H. MADOLE, an anti-Jewish article.

T-1 indicated on May 1, 1958, that MADOLE stated he believed the next issue of the "National Renaissance Bulletin" would be late because the "Arabs advised they want me to write an article for which my tentative title is 'Conditions in the USA'."

MADOLE stated this article is not for his bulletin but will be translated in the Arabic language and published in an Egyptian paper and probably in other publications.

~~SECRET~~

~~SECRET~~

NY 105-6112

T-1 indicated on May 1, 1958, that MADOLE indicated the next bulletin entitled, "J. EDGAR HOOVER Is the Master of Deceit All Over America" would be ready to go to the printer on May 21, 1958. He said the bulletin would run 5 pages and be printed as usual by CONDE MC GINLEY in Union, New Jersey.

MADOLE said he would include information he had gathered about HOOVER'S association with WALTER WINCHELL, a long time agent for the Anti-Defamation League.

MADOLE said he would "plaster" HOOVER and "take him down a notch or two."

T-1 added that MADOLE is incensed over the chapter in HOOVER'S book which deals with the Jews and he stated, "All the HOOVERS in the world will not be able to sell Jewry to us."

T-1 added that the following Indonesian literature had been received by MADOLE and was stamped with the name of the National Renaissance Party, 10 West 90th Street, New York City:

"The Religious Life of Indonesia."

"Search For An Indonesian Identity", a 20 page booklet published by the New Nusantara Publishing Company.

~~SECRET~~

~~SECRET~~

NY 105-6112

"The Indonesian Spectator" dated March 15, 1958, described as a magazine of Indonesian affairs published in Tjakarta.

"Report on Indonesia" dated November, December, January, 1957-1958, published by the Embassy of Indonesia, Washington, D.C.

This source stated that MADOLE also has a new leaflet entitled, "The Jew Does", which is very anti-Jewish and which MADOLE states he has been distributing in the Yorkville section of New York.

MADOLE said that CONRAD GRIEB had given him a few hundred copies and MADOLE was considering having an additional number printed so he could give it a wider distribution.

MADOLE stated that [redacted] had recently called on him praising FRED WEISS and asking him to make up with WEISS.

b6
b7C

MADOLE again reiterated what he has said in the past, that he would have nothing further to do with WEISS because of a situation which arose in the past concerning his relations with WEISS.

T-1 indicated on June 3, 1958, that the May, 1958 "National Renaissance Bulletin" is presently being distributed by MADOLE and it consists of one article entitled, "J. EDGAR HOOVER, America's Foremost Master of Deceit", by JAMES H. MADOLE.

NY 105-6112

~~SECRET~~

T-1 stated this article is an attack upon HOOVER and his book, "Masters of Deceit", along the usual anti-Semitic line of MADOLE and the subject organization.

Mr. DANIEL M. SULLIVAN, 1547 North Niagara Street, Burbank, California, on April 28, 1958, furnished a leaflet entitled, "Why Are 90 Per Cent of Communists Jews?", an anti-Jewish leaflet which was stamped "NRP, 10 West 90th Street, New York City."

C. NRP Groups in the United States and Association of the NRP with Other Nationalist Groups

T-1 indicated on April 14, 1958, that MADOLE had received a mimeographed letter allegedly sent by MILLARD GRUBBS, Chairman, Citizens Council Kentucky Incorporated, 1427 South 6th Street, Louisville, Kentucky, to [redacted]

[redacted] which was being circulated among Nationalist groups in the New York City area.

b6
b7C

T-1 stated that MADOLE was not impressed by GRUBBS and has stated that he is too old to be of any use in the Nationalist movement.

MADOLE has stated further that he has no intention of going to Louisville, or any other Southern cities, as a speaker for the citizens councils or any other similar groups.

NY 105-6112

~~SECRET~~

T-1 indicated on June 27, 1958, that during the past six months, MADOLE has received numerous requests from leaders of klan groups, citizens council groups and similar types of organizations in the South soliciting his cooperation and support.

According to this source, MADOLE, as in the past, has rejected all such offers and apparently has no desire to join the NRP with any other nationalistic type organization.

APPENDIX

"COMMON SENSE"

It is noted that "Common Sense" published by the Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee". According to the report, "Common Sense" depicts Communism as "Judaism", and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

Many thanks for your letter of June 21, 1958, with enclosures. I am happy to have the benefit of your views.

General Wedemeyer also wrote me about the "National Renaissance Bulletin" of May, 1958. As I told him, I expected some attacks concerning parts of the book.

It is always a pleasure to hear from you and I will be glad to receive any information you may obtain about the National Renaissance Party.

With kind regards,

Sincerely,

Edgar

NOTE: By letter dated June 17, 1958, General Albert C. Wedemeyer forwarded the Director a copy of the "National Renaissance Bulletin" of May, 1958, which is entitled "J. Edgar Hoover, America's Foremost Master of Deceit" which was written by James H. Madole. This is an attack against the Director based primarily upon Chapter 19, "The Communist Attack on Judaism." We have received previously several copies of this item. Madole is President of the National Renaissance Party and is the subject of an Internal Security-Egypt; Registration Act investigation, Bufile 105-52256.

Dear Edgar:

This is the first time I have been in the New York office in almost 10 weeks and I found a letter from General Wedemeyer, copy of which I am enclosing. He is very much for you and he has always been one of your really great admirers. I am glad to send you this.

As for the National Renaissance Party I haven't the slightest idea of what or who they are as I have never heard of them before. If I find out I will certainly let you know.

I am very grateful to General Wedemeyer for sending this and as you know I greatly regret the activities of many individual Jews and some Jewish organizations.

With the limited information on the subject of Zionism it is very difficult for non-Jews to understand the differences among Jews themselves. There are now five branches of the Jewish religion - each at variance with one another - and some very much so. There are many decent Jews who regard Judaism as a religion and nothing more. Likewise, they deplore those Jews and Jewish organizations who try to convince the people that all Jews favor World Zionism and all actions of the State of Israel.

Hurriedly, and with all the best,

Sincerely,

Dear [REDACTED]

b6

Sometime ago I thanked you for forwarding the autographed copy of Edgar Hoover's most recent book "Masters of Deceit." I have read it very carefully and then re-read it with particular emphasis on Chapter XIX to which my attention was focused by the enclosed bulletine.

I do not know why I received a copy of the enclosed for I am not at all acquainted with the National Renaissance Party and I believe this is the first bulletin which has been sent to me. Nevertheless, as I pointed out in a letter to Edgar Hoover concerning the subject bulletin, the printed word carries considerable authority. The reader generally accepts a written statement as gospel truth and generally one is too lazy, mentally or otherwise, to check the authenticity of statements made or the character of the writer.

I felt that the book was a courageous and well presented exposition of the Communist infiltration, application and dogma. Chapter XIX, to which the author of the enclosed bulletin addresses most of his remarks, does water down, as you would admit, participation or involvement of Jews in the Communist movement. But I did not interpret Edgar's analysis of that premise as colored. Rather, he seemed to be striving for objectivity, which we have often discussed and both agree would be the real solution to frictions, suspicions and hatreds in the world.

I wonder if you could give me some idea about the National Renaissance Party. In a quiet, dignified way I will do what I can to have the perpetrators of this smear on Hoover revealed in their true light.

I do hope that you and [REDACTED] are happy and enjoying the best of health. [REDACTED] seems to be his cheerful self. In fact, I sensed that he was greatly relieved after his recent thorough-going examinations at the hands of [REDACTED] and the other specialist whose name I cannot recall.

Dear Al:

I am enclosing copy of a letter dated June 27th that I received from [redacted] who is [redacted]

b6
b7C

This organization was founded by Lessing J. Rosenwald, whom you might remember at one time was Chairman of Sears, Roebuck & Co., which his father was instrumental in building into a large business. Lessing Rosenwald has lived in Jenkintown, Pennsylvania, a suburb of Philadelphia, and has been out of business for many years but did a great thing when he founded this Council. It has been the leading organization in the United States opposed to world Zionism. They were against the creation of the State of Israel and have always been objective in their views as to the Arabian population of Palestine and wants justice done to them.

They believe that Judaism is just a religion, not a nationality. They think Americans of the Jewish faith owe their full allegiance to this country and not to any foreign country. They contend that nationality and religion are separate and distinct and that no Jew or group of Jews can speak for all American Jews and that Israel is a homeland for its own citizens only and not for all Jews.

Members of the Council include many prominent Rabbis; in fact, [redacted] is also a Rabbi. If I ever get a chance, some time I would like to write a little on the great differences that exist among Jews where there are now five separate branches of the Jewish religion, three of which are fairly well-known, namely the Orthodox, Conservative and Reform branches of the faith, and the other two being the Liberal and Reconstructionist versions, not so well known. The schism between some of

b6
b7C

Page 2.

these branches is often a very great one and the same is true in Israel itself.

I do not quite agree with one statement of [redacted] I think an unusually large number of Jews have been associated with Communism in one way or another and, while I have no definite data as to their total compared with the total Jewish population in the United States, I think it is far greater than one would find, for instance, in Catholicism and some other faiths, although at times some of the statements put out by some of the Protestant faiths are not too reassuring, as you know.

b6
b7C

One trouble with Judaism is that it is difficult to explain because of its simplicity. Boiled down it just means that the people believe in one God. In the Orthodox faith many of the practices, such as only eating fresh-killed meat and abstaining from certain foods, came about because they thought that aged meat in far-off days carried diseases - which it did. They thought that pork carried the Bubonic Plague. They also in the Orthodox branch of the faith barred certain other foods and, like circumcision, they came about for reasons of health and sanitation but to cover their forms they tacked them on to the religion itself.

It is also generally not understood that since the destruction of the Temple, there have been no priests in Judaism and no hierarchy. Actually a Rabbi is a teacher and a synagogue is a school. No Rabbi is responsible to another and each is free to interpret Judaism as he wants.

At any rate, [redacted] is an excellent scholar and a fine, broad-gauged man. The letter he has written Monsignor Ligutti is too long for me to go into here but [redacted] attended an Ideological Conference held in Jerusalem a few summers ago and wrote learnedly about Zionism. What he said supported the position of the American Council for Judaism.

b6
b7C

Father [redacted] is a Catholic priest of Norwegian ancestry. He is a speaker on the Vatican radio and a lecturer but it has been very difficult for him to get his writings on the question of Zionism published.

Dear [redacted]

I thank you for your good note of June the 21st, enclosing the copy of a letter from General Wedemeyer and the copy of the bulletin from the National Renaissance movement.

I would certainly agree with General Wedemeyer's evaluation of Mr. Hoover's analysis of the relationship of Jews to communism. Although I am not an expert on this problem, I think it has been demonstrated by a number of people who could qualify as experts that there is really no automatic or organic relationship between Jews or Judaism and communism. I think it is also true that while a number of individual Jews have been involved with communism and/or its front movements, the percentage of Jews in the United States is not excessive. Vigorously as I oppose Zionism I am also somewhat revolted by the frequent efforts to equate Zionism with communism. While there are Zionist parties which are definitely pro-communists - and this is to be expected in a national-political movement - it is absolutely false and misleading to equate the Zionist movement with communism. There are parties in the Zionist movement all the way from the extreme left to the extreme right.

I believe Mr. Hoover handled the problem of Jews involved with communism in a courageous and tactful manner.

The National Renaissance group, I think you should know, is one of what I frequently call "lunatic fringe" anti-Semitic organizations. I use the word "anti-Semitic" very sparingly and cautiously. But when, over a long period of time, a movement continues to speak consistently in exaggerated language and with hostility toward Jews generally, it is difficult to avoid the conclusion it is an irresponsible group feeding upon popular prejudices rather than attempting to do a constructive and educational job for our country.

I do not know if your purpose in sending me the General's letter was to obtain a somewhat more precise and substantive analysis of this National Renaissance movement. If you would like me to provide one, I am quite sure I will be able to support the rather general observation and evaluation I have just made. Please let me know if I can be helpful in this connection.

While I am writing, let me finish my reply to yours of June the 3rd which I promised to send you. First of all, I am enclosing the material which you were good enough to send for my reading.

I have distributed, in mimeographed form, a good many copies of Father [redacted] letter. But so far I have been unsuccessful, working with some friends of mine who are somewhat in closer contact with the Catholic press than I, in finding someone to publish the piece.

b6
b7C

I hope we may still be successful, however.

I am taking the liberty of writing today to Monsignor Ligutti, copy enclosed. I thought perhaps he would be interested in some of our material, since, as I gather from Father [redacted] letter to him he appears to share Father [redacted] own opinions which are certainly an endorsement of the council.

Your letter of the 21st sounds as though you are really burning the candle at both ends. I am afraid you, like ~~ye~~ myself, are one of those people who always keeps promising that tomorrow will be the day you will begin to take it a little easier. I hope you will.

With kindest personal regards and reminding you again that if there is something more I can do in connection with the Wedemeyer letter, please let me know.

Executive Director

June 27, 1958

Dear Monsignor Ligutti:

Some time ago my very good friend and one of the most interested members of the [redacted] shared with me something of the recent exchange you have had with him regarding some material which Father Edward [redacted] has written on the Palestine problem and the relationship of Judaism and Zionism to this issue. ITALY

b6
b7C

It was some time during the winter that, without my even knowing he knew anything about the Council, Father [redacted] sent me a copy of his report on the Ideological Conference of Zionism which he had attended. I was so impressed with the article that I wrote Father [redacted] I would try to comply with his request to find a Catholic publication which might use the piece. The understanding was that if an American Catholic paper would publish it, the Council would then undertake to republish it in one of our own publications in order to try to have it reach at least a perceptible audience of American Jews. I am sorry to say that so far my efforts to find a Catholic paper of stature which would use Father [redacted] piece have been unsuccessful.

b6
b7C

Meanwhile, we are distributing his article in a reasonably extensive manner in a mimeographed form, copy of which I am enclosing.

If you have any suggestions as to any approach I might make to some Catholic paper I would be very happy to follow through. Or, perhaps there would be some contact you might have and which you might feel free to approach in a more direct manner.

While I am writing, I am naturally wondering, whether you yourself know anything of the work and principles of the Council. I am taking the liberty of sending you a few examples of some of our publications. I hope you find them interesting and perhaps even helpful in your thinking about these complex and troublesome problems.

Should you find the time and the inclination I would be happy to have your reaction to any of the material I am sending you or to this letter.

Very sincerely yours
